## Out & About

### Flags!

On Monday, May 6, 2024, Officer Tim Jordan, Officer Micah Steeves, and Lions Club representatives (Bob, Ed and Jim) provided a flag presentation to the first-grade students at the Yamhill-Carlton Elementary School. The students learned about the United States Flag's. At the end of the presentation each student received their very own flag with a stand as well as a brochure with information about the United States Flag. The kiddos waved their flags with excitement as they went back to their classroom.

That same day, Officer Steeves responded to a family dispute and consoled all involved parties. Throughout the incident, one of the students that attended the flag presentation was ecstatic to see Officer Steeves and express how much he enjoyed the flag presentation and how much he loved seeing Carlton Police Department officers at the elementary school. When talking to the student's parent, they said that they remembered attending the flag presentation from when they were in elementary school! What an amazing lasting impact!

# Out & About

## Carlton PD Celebrates Teacher Appreciation Week

On Friday, May 9, 2024, Chief Martinez and Officer Jordan dropped off some pizzas, salads and deserts at the Yamhill-Carlton Elementary School in recognition of all the hard work our local teachers and school staff do for our children. Along with pizza, Chief Martinez gave YCES staff the following message.

The Carlton Police Department appreciates the hard work and dedication that each of our teachers and educators provide to our community's children. Each one of you commit yourselves, beyond compare, to ensure our children have the best educational foundation that they can.

Your caring extends beyond the educational component of your job as you look at each child and know that what their future holds and who they become is largely in part due to the time they spend in your classrooms. Thank you for committing yourselves to a profession that is often left unrecognized to the level and degree it should be.

Take care, stay safe and continue to touch the lives of each kiddo in such a positive and caring way that when they look back and remember this time in their lives, they will never forget those special moments with you and how special you made them feel.

Your Carlton Police Department Team,

Chief Kevin Martinez, Sgt. Jake Blair, Officer Tim Jordan and Officer Micah Steeves
